Facility Changes

- 1) Covid 19 Questionnaire check each day before class, must turn in signed form to instructor at entry of 1st class.
- 2) Wash hands prior to entering
- 3) Wait in car until instructor call for line up at East Side of building.
Entry Door 1, Side Door 2 or Side Door 3
(Students under the age of 5 will enter with parents at front entry)
- 4) Enter with mask on
- 5) We will implement a one way flow of traffic entering at east side of building.
1 spectator per athlete (enter at main entrance)
Students have 3 possible entries as listed above.
Spectators will exit upstairs at bridge
- 6) Masks are required to use the restroom
- 7) Water fountain will be turned off.

It is suggested that students
Bring in portable locker/ label bag or
pack if needed.

Items to be included are

Water bottle (water fountains will be out of
order)

✦ Mask for restroom use

Personal Chalk if needed (blocks for sale in
the office \$2.50ea)

Grips if needed

Personal Braces etc...

Snacks if needed

In Class Changes

- 1) Wash hands prior to entering either with a wipe or at home.
- 2) Enter & Exit with mask on.
- 3) Students will be spread out safely on different equipment.
- 4) Students will be prompted throughout class to use sanitizing stations.
- 5) Before switching events Students and instructor will use bleach water (at recommended amount by CDC) to wipe down all used equipment.
- 6) Shared chalk buckets will NO longer be allowed. Each student will need to bring their own block of chalk if needed for bars.
- 7) Water fountains will be shut off (be sure your athlete has a personal/labeled water bottle.
- 8) At the end of class all students will exit through the upper door and bridge.
